Members discussed the issue of recurring damage by youths to the fence at Barnaby Park. In conclusion, it was decided that a stronger fence would be

more effective and fencing similar to Brecon Park should be considered. The Town Council's Communities Co-ordinator, Sharon will liaise with the Operations Manager, Phil Cunningham, on the issue and refer the information to the FIED committee.

The committee discussed at length the anti-social behaviour (ASB) of young people and considered how to help the youth to be engaged in activities to help prevent ASB. PC Barron confirmed that typically it is a nucleus of the same known youths who are causing incidents in the village. The youths come from troubled backgrounds and in some cases there is a real lack of parental engagement. This presents challenges in engaging the youth in diversionary activities. From robust discussion it was agreed that the Town Council's Communities Co-ordinator, Sharon will liaise and explore through collaboration with the police and Everybody Sport and Recreation the potential for developing a small programme of activities for youth particularly over the summer months.

RESOLVED: That the verbal update from the Macclesfield North and Poynton Beat Management Police Team is received.
